

Invitation to

# NM 2022

d. 5th to 7th August

At Herring Modelshipclub  
Skærgårdvej 23, 7400 Herning  
Denmark

Herning Modelshipclub is responsible for the organisation of NM in model boat sailing and building.

### *Date*

We have chosen to lie NM on 5th to 7th August, as the high school has summer holidays closed that week. There are no students at the high school, so we have the whole area to ourselves incl. the 4 buildings with each 14 rooms that the students of the college use. In each building there is a large kitchen, shared room with televisions. In each room there are 2 beds and en suite bathroom. The rooms can be rented during that week, you have to do the cleaning by yourselves, and the rooms must be handover no later than Sunday 7th. August at 12:00 PM

It is possible to get a room from Thursday the 2nd of August

### *Accommodation*

Rooms at the high school, the price is 400,- dkk per night and it is incl. bedlinen per person

There is an area where we have been allowed to setting up caravans.

There will be possible in the area to get power.

This option will be free to use. Possibility to go to the toilet in the children's house and bath at the high school.

### *There is also a place for the models*

We have a large common room right next to the lake where we can lock the models in at night.

### *The place*

Here it is possible to buy food, beer, water, coffee and cake at reasonable prices.  
this is only Saturday and Sunday

### *Food Saturday evening at 19:00*

It will take place in the dining room of the high school where there will be a large buffet with traditional people high school food, Beverage can be purchased in places or you can bring your own

There will be after dinner be coffee with cake

The evening food costs 250,- dkk for adults and 125,- dkk for children under 12 years old

### *Breakfast*

Breakfast Saturday and Sunday morning, bread rolls with ham and cheese, maemelade

The cost for breakfast is 25,- dkk per time

## *Sailing classes*

NM	Medals/diploma award	14:00 – 15:00

## *Rules*

F2 + F4 according to the rules of Naviga from 2016.

Each participant can have 3 ships – but if the number of participating ships is too high (over 70), we automatically cancel the 3rd ship on the registration.

In the confirmation sent out just after the registration deadline is over, there can you see if we have to cancel the 3rd ship.

If a participant starts with 2 ships in a class, the participant can "only" win one of the rankings 1, 2 or 3.

Of the 3 rounds it will be an average of the 2 best rounds, the worst sailing will be erased in the final result.

The Re-sailing will only happen for the medal's rankings (meaning places 1, 2 and 3) When sailing, we will sail first as usual on the Naviga track on the right path. If everyone has the same points, we will sail it backwards. If they are still on the same point, the participants will have a chair to sit on and then sail the Naviga course. If a winner is still not found after that – sail on the top buoy until a winner is found.

The classes are open when there are 5 ships from 2 countries registered.

### *The course:*

The Naviga track with the exception of gate 1, which is made double to allow for several sailors on the course at the same time. (see map drawing)

### *Judges:*

The participating countries must appoint some judges for the construction assessment, about 2-3 per country

## *Registration*

We must receive your registration form and the start-up fee no later than 1<sup>st</sup> of June 2022 in the following e-mail [bo.dive@gmail.com](mailto:bo.dive@gmail.com)
